Estelle Wagner

Professional Polo Player

From a very early age on, Estelle developed a fascination for fast-moving sports and exciting adventures. At the age of seven she started cart racing, but quickly started engaging in classical horse riding. She discovered her passion for Polo at the age of fifteen and started playing in Luxembourg during the summers, while she practiced in Argentina during her winter holidays.

At the age of sixteen she participated in her first international low goal tournaments, especially in Germany. Finally, for her eighteen's birthday she moved to the **Alwin Schockemöhle Gestüt** in Mühlen (Germany) where she learned more about polo ponies as well as grooming. This is where she is based as a professional today, where she is regularly trained by the professional **Patrick Maleitzke** and from where she travels to take on new challenges at tournaments across Europe.

Over the last two years, Estelle has taken part in numerous Polo tournaments, from Arena Polo to Grass Polo, just like Snow and Beach Polo. With different teams, she played Medium and High Goal tournaments, particularly in Germany. She was awarded the prize of the Best Player during several tournaments.

The best result was obtained by a second place in the Berenberg Polo Masters.
